**X. Presentation of Information: Representative Pat Moore**

**Representative Pat Moore-** addressed the forum and thanked the Mayor and Board for allowing her to stop by and share information from this session.

**Representative Pat Moore** – advised the information provided is good news; at the Louisiana Bond Commission’s July 22<sup>nd</sup> meeting it was approved for a capital out-lay project planning and development of the municipal building complex, and Richwood would be receiving \$ 150,000 .

**Representative Pat Moore-** provided information pertaining to several bills that will affect our children. One of the bills that passed is HB-911. In the State of Louisiana 24% of our kids are reading on a 3<sup>rd</sup> grade level, that means 76% of our children are not. HB-911 is to try to give assistance and what that means is that we need to screen our kids earlier, like in grades k-3<sup>rd</sup> grade and make they are the correct level in the 3<sup>rd</sup> grade.

**Bill HB269** passed in the House and went to the Senate but did not pass because they ran out of time, and what this bill does, it says when a child is in the 3<sup>rd</sup> grade, regardless of if they have made all A’s, B’s or C’s whatever, they are going to be tested, and if they do not pass the reading test they will not be moved on to the 4<sup>th</sup> grade, that is the reason the 911 Bill is so important, because we want to catch our children early.

*There is a reading program from Atmos Energy, and it is excellent for children ages 3-6, it is sent to you electronically, it is free for 1 year, it helps them(children) to read.*

**We need you to make sure your loved ones are registered to vote, with the redistricting that is happening and there are elections coming up.**

**Representative Pat Moore-** also shared with the forum we have a safety issue where commercial trucks are parking their vehicles on state roads and it is tearing up our roads, City of Monroe roads and Richwood roads, this is causing some safety issues with our roads.

**XI. Discussion of MPC: Rentals**

**Alderman Wilbert Reed Jr.** – stated, he had some concerns about an event that happened a little over a year and a half ago, if a rental fee had been received from an event which was held last year at the Multi-Purpose Center? I asked why this individual had never paid his rental fee like everybody else.

**\*\*\* For the Record: \*\*\***

*Alderman Wilbert Reed Jr. stated, for the record, I’d like to know why didn’t this individual I could call the name if it is necessary, pay their rental fee like everybody else?*

**Mayor Gerald Brown-** advised, no, I can speak to that, if I'm thinking about the issue you are thinking about, the individual has a non-profit, and we allow non-profits to have use of the facility 1-time per year.

**Alderman Wilbert Reed Jr.** – stated, that is why I asked, I needed to know why they didn't pay, because they were a non-profit. . I'll accept that answer.

**XII. Discussion of the Richwood Police Department:**

**Alderman Wilbert Reed Jr.** – stated he had a question, which had been brought to him, why was the RPD doing private security at Ra-Ra's Mud Ride? I just need to know were they working for Richwood or who were they working for? That's out of our jurisdiction, and I just need some clarity.

**Chief Johnny Cleveland-** advised officers were working off-duty work, this has not just started, if they are off duty, they can do off duty work.

**Alderman Wilbert Reed, Jr.** – stated I have no problem with them doing off-duty work, but they should not be using Richwood vehicles, our vehicles should not be out there, all I am saying is just watch that.

**\*\*\* For the record\*\*\* I have a problem with that, that's why I asked the question, if we are doing it, we got to do it right.**

**XIII. Adoption of Ordinance 2022-04 ( An ordinance Adopting the Town's Expenditures for the year beginning July 1, 2022 thru June 30, 2023**
